Fulbright College Writing Requirement
Assignment

All Fulbright College students are required to write a senior paper within their major. To fulfill this requirement as a Sociology and/or Criminology major, please:

1. **Select** one of your upper level 3000 or 4000 SOCI or CRIM courses in which you wish to fulfill this requirement.
2. **Obtain permission** of the instructor to fulfill the requirement in the course *within the first few weeks of class*.
3. **Submit Declaration Form**. Fill out and submit your [Declaration Form](#) by September 12, 2022. Link to Declaration Form: <https://forms.office.com/r/E8RYLQike5>
4. **Complete** the writing requirement by the end of the semester. There are several options for this assignment, which will be determined by your instructor.

Option One: Traditional Research paper 12 pages (not including references)

Option Two: multiple papers -- will require students to submit 3 mini-papers of 4 pages (for a total of 12 pages) in any given course.

Option Three: multiple papers -- will require students to submit 4 mini-papers of 3 pages (for a total of 12 pages) in any given course.

Important:

- The paper, if in several smaller sets, will need to build on the first one (cumulative argument).
- The paper(s) should incorporate peer-reviewed, scholarly research to support the argument.
- The final delivery should be 12 pages in total (not including references), regardless of the option.

Note:

- Honors Students automatically fulfill the FCWR with their Theses.
- Students with majors in other departments in Fulbright may use their SRW from that department. For example, if a student majors in sociology or criminology and psychology, they may choose to write their paper in psychology.
